As the sponsor of the trial are happy to announce that the team of the Cardiology Department of the Regional Specialist Hospital in Olsztyn, under the supervision of prof. dr hab. Adam Kern, MD, PhD has recruited their first patient in ADONIS-PCI Trial. We wish you many further recruitment successes! As the sponsor of the ADONIS-PCI clinical trial, we express our gratitude to the Regional Specialist Hospital in Olsztyn for their partnership and dedication to advancing medical knowledge. We are excited to embark on this journey together, working towards a future of improved treatments and enhanced quality of life for patients with coronary artery disease.
